Thanks. I'll be there. If anything comes up, I will follow up with you. Good luck on your call. I have no idea what it's about, but I'm sure it will be brutal.

There are no issues to discuss on Diamond Alkali, so we weren't planning on attending. Please let us know if you would like someone to attend – I'm afraid I am headed to Elmsford for a meeting at 9:30-12, so I won't be available.
